Trinity Church is grateful to JAZZ HOUSE KiDS
for their work educating the next generation about jazz. It is our honor to collaborate with JHK founder and President **Melissa Walker** and Artistic Director **Christian McBride** to offer students free instruction from professional musicians after school and during **Jazz in July**. Together, we are thrilled to present **Jazz at One**, a cornerstone of our shared mission to raise the profile of this uniquely American art form.

Meet the Artist

Raised in Florida with roots in the South and New York City, Georgia Heers found her home in music. After studying jazz voice at Oberlin College and Conservatory, she moved back to New York to complete her master's degree at The Juilliard School.

Since graduating in 2023, she has gained a footing in the New York jazz scene, playing at clubs like Mezzrow, Dizzy's Club, and Minton's Playhouse. Through apprenticeship and the generosity of her peers, she's been invited to play at notable venues around the country, such as the Kennedy Center and Carnegie Hall.

Heers was featured in George Clooney's Broadway adaptation of *Goodnight, and Good Luck* — the first Broadway play ever to be broadcast on national television, airing on CNN. Her performance in the production marks a major milestone in her career, showcasing her talents on a historic stage and screen.

In 2024, Heers was awarded a Performance Plus grant from Chamber Music America and recorded her first album. Her debut album is expected to be released soon.
