

Luke 11:1-4

1. The disciples spent a lot of time with Jesus. After a while, they noticed something about the way Jesus talked with God when Jesus prayed.

2. The disciples were curious; they wanted to pray like Jesus. So one day, they asked him, "Jesus, can you teach us how to pray?" Jesus smiled, "Of course! Here's an example of something you can say when you pray."

4. "Caring God, you give us what we need each day. Merciful God, you forgive us. I'm sorry when my words and actions cause pain. Help me choose forgiveness when others hurt me. May I remember your love is all around me."

3. "Loving God, you are special and holy! Your great, big love is like no other; your realm of peace makes all things new. Help me share these things with those around me because your love and peace can change the world."
